Product configuration: QK99.04
QK99.04: Minimal 5 cells - Spot - LED - Black

QK99.04: Minimal 5 cells - Spot - LED - Black

Linear miniaturised recessed luminaire with 5 optical elements for LED lamps - fixed optic. Die-cast aluminium body, minimal version (frameless) installed flush with ceiling. For recessed installation in a false ceiling a specific adapter is required that is available with a separate item code. Metallised thermoplastic high definition OptiBeam reflector, integrated in a rear position in the black anti-glare screen; the structure of the optical system prevents a pinpoint effect, allowing precise, circular light distribution and emission with controlled glare. Supplied with a dimmable DALI power supply unit connected to the luminaire.

The recess body is inserted in the specific adapter installed previously by means of a steel wire spring - check the thickness of the false ceiling and use a compatible frame available with a separate item code.

Weight (Kg)
0.28

wall recessed|ceiling recessed

Quick-coupling connections on the ballast unit.

Complies with EN60598-1 and pertinent regulations
