Accessory code

9856: Driver group - Class II 220-240Vac - With DALI 350mA control interface and electronic power supply 30W 28Vdc. Uses 3 DALI addresses

Technical description

Equipped with interface, DALI 350mA control and 40 W 24 V electronic power supply. A max of 6 light compartments can be connected.

Colour

Indeterminate (00)

Weight (Kg)

0.55

Wiring

Occupies 3 DALI addresses.

Complies with EN60598-1 and pertinent regulations

EAC

Technical data

Frequency [Hz]:	47/63	Dimming mode:	PWM
Output voltage [Vout]:	28	Control:	DALI
Overvoltage protection:	2kV Common mode & 1kV Differential mode
