
BLE beacon Low Voltage Track - 2.4 GHz - 0.36 W - L = 94 mm

Design iGuzzini**iGuzzini**

Last information update: February 2023

Accessory code

PA04: BLE beacon Low Voltage Track - 2.4 GHz - 0.36 W - L = 94 mm

Technical description

BLE beacon for Low Voltage and Superrail track - 2.4 GHz - 0.36 W - L = 94 mm - Beacon with Eddystone UID and Eddystone URL profiles, iBeacon profile on request - operating temperature -40°C/+65°C - Tx power adjustable between +4dBm/-20dBm - Reception sensitivity -96 dBm. Also compatible with Bluetooth 5.x.

Colour

White (01) | Black (04)

Weight (Kg)

0.02

Mounting

Low voltage track

Complies with EN60598-1 and pertinent regulations

650°C

IP20

CE

EAC
