Accessory code

MZ96: DALI Powerline driver box for Low Voltage track - 75W

Technical description

Box for 75W AC/DC driver for direct assembly on track via an integrated power supply cap. When installation is complete the bottom of the box will be attached firmly to the track. Made of extruded aluminium with thermoplastic end caps. Steel ceiling fixing plate.

Installation

For surface or pendant installations it is fixed directly to the track.

Colour

White (01) | Black (04)

Weight (Kg)

1.05

Dimension (mm) (*)

514.5x31x73.4

* The dimensions may change according to production requirements to ensure that performance levels and installation methods are observed.

Wiring

Connection to line on integrated power supply cap; in pendant track versions use the accessory with the 5-pole cable and the steel pendant cable (item code MZ98).

Complies with EN60598-1 and pertinent regulations
